FROM : SA ROBERT W. CREWDSON

SUBJECT: JOHN M. HUGHLEY  
EM

JOHN HUGHLEY was located and interviewed at his residence of 14705 Shaw Avenue, East Cleveland, Ohio by SAs ROBERT W. CREWDSON and JOHN E. BELL, JR. on February 16, 1972. HUGHLEY first met DAVID HILL when both were involved in "Pride, Inc." and "Operation Black Unity" (OBU). HUGHLEY explained that Pride, Inc. was one of a coalition of groups which banded together to support the OBU program. HUGHLEY saw HILL two or three times during this period at the House of Israel and at this time the House of Israel was located at 105th and St. Clair.

HUGHLEY last saw HILL in September of 1971 standing on the street behind Public Hall during the National Baptist Convention. HILL waved to HUGHLEY at that time but no words were spoken. HUGHLEY has not heard nor seen HILL since that time and does not know HILL's current whereabouts. HUGHLEY did advise that there are many persons who are disgusted and angry at HILL for leaving town and that many of these persons would not hesitate to turn HILL in if they should find out where he was.

HUGHLEY was last actively involved with HILL around December 17, 1970 at which time HUGHLEY went with MAE MALLORY to the County Court House to put up bond for HILL's release.

Following HILL's release, MALLORY and HILL stopped by HUGHLEY's residence at 14705 Shaw for a short time where unfriendly words were spoken between the HUGHLEY family and HILL. This was the only time HILL had been in the HUGHLEY residence.

HUGHLEY believes that a sum of about \$4,000 was put up for HILL's bond in Chicago by a former wife of HILL. HUGHLEY insisted that this person was not HILL's current wife, MARY HILL, but another individual whose name he could not recall. For this particular bond in Chicago, HUGHLEY advised that MAE MALLORY had helped to raise a sum of about \$400 in the Cleveland area to also be contributed to HILL's bond.

HUGHLEY advised that when bond was raised for HILL's release in order for him to appeal his conviction for blackmail in Canton, Ohio, that RONNIE BEY gave \$1,200 to HILL's attorney, STANLEY TOLLIVER. HUGHLEY does not know the source of the \$1,200.

HUGHLEY advised that he knows ALBERT FORREST only through FORREST's connection with Pride, Inc. HUGHLEY did not know the present address of FORREST or whom FORREST was employed or working for at this time.

HUGHLEY knows LARRY STEELE as being a member of the Community Relations Board and to be the person involved with RON BEY in the beating of BAXTER HILL.

HUGHLEY has known MAE MALLORY about two and one half years and likes her as a person. HUGHLEY has never discussed political ideas or views with MALLORY and does not know her personal political feelings. HUGHLEY advised that as far as MAE is concerned anyone with money should share it with the less fortunate. He knows her to be very vocal in expressing her personal feelings, however, he also believes she is a very warm and friendly person to those she knows and trusts. HUGHLEY does not know of any affiliation of MALLORY with the International Black Workers Congress (IBWC). In HUGHLEY's estimation, MAE works only for the good of all black people and not just for her own personal gains. HUGHLEY is not aware of any of the organizations MAE belongs to or works with and advised that he has never done any traveling with her and has never worked with her in the promotion of any particular group or organization other than for OBU.

HUGHLEY advised that he is not aware of any organization known as the International Black Workers Congress and he

does not believe that this organization exists in the City of Cleveland. He stated that he is an employee of Republic Steel and he emphatically advised that an organization by this name does not exist at Republic Steel Company in Cleveland.

HUGHLEY advised that he has had ~~DEWEY~~ FAGERBERG, Pastor of the People's Church, at his home on occasion and HUGHLEY believes that FAGERBERG would know about most black extremist groups as he has had occasion to work with them in their activities. HUGHLEY advised that when FAGERBERG first took over the church he was a good minister and he came and was received by the congregation with high expectations on the part of both. It seems that he got mixed up with the wrong group and tried too hard to associate himself and identify himself with the black community as the church changed from a white congregation to predominantly a black congregation. FAGERBERG was at HUGHLEY's house one night when MAE MALLORY came in and made a comical statement to DUEY, "I see they have made you an honorary nigger." This of course was in reference to FAGERBERG's attempt to identify himself with the black community.

HUGHLEY advised that ROBBIE may in fact be ROB WILLIAMS with whom MAE MALLORY was involved in on her charges of kidnapping in North Carolina. Just after the charges were filed, WILLIAMS fled to Cuba where he stayed until such time as the charges against MALLORY were dropped. WILLIAMS then is believed to have re-entered the United States.

HUGHLEY advised that he is no longer involved in any type of civil rights movement and in the past had only been connected with Pride and Operation Black Unity. HUGHLEY dropped out and became disenchanted with these organizations when he began to see that the money allotted and given to the organizations was not being used for the purpose of the organization but for personal gain of some individuals. HUGHLEY declined to mention any specific names but did imply that RON BEY and LARRY STEELE both could have been involved in taking money from the organization and using it for their personal use. HUGHLEY advised that BEY is driving a Rolls Royce and he made a statement, "Who do you know that drives a Rolls Royce?" HUGHLEY advised that BEY lives with his wife at 13301 First Street, East Cleveland, Ohio and his home number is 761-4536. HUGHLEY advised that BEY's license number is BEY 5.

HUGHLEY knows WILBUR GRATTON as Brother G but does not know anything about his political activities. He knows that

CV 157-4514

GRATTON and MALLORY are close associates but other than their activities together concerning political aims and goals, he does not know.

HUGHLEY advised that he knows of JAMES RAPLIN only as a former associate of DAVID HILL. He does not know RAPLIN personally and has had no association with RAPLIN.

HUGHLEY advised that he does not know anyone by the name of Brother ALLIT.
